## **CTA Gingin Discovery Tour 2013** 1-3 June 2013

Welcome to the CTA Gingin Discovery Tour 2013. Enjoy pleasant riding through quiet undulating country with some interesting venues along the way. Although this is a full pannier tour, the distances have been kept to around 60 Km per day so that the pace will be leisurely. In addition, there will be no pannier load on the second day (Sunday), as we will be staying at Willowbrook Farm Caravan Park for both nights.

### **Itinerary**

## Saturday 1<sup>nd</sup> June (64 Km)

Arrive at Clarkson Railway Station at 8.31am or 8.46am for a 9.00am sharp start.

Ride north along Connolly Drive, Marmion Avenue, Yanchep Beach Road and Two Rocks Road to Two Rocks where we will stop for morning tea at Oscar and Sons Café (http://www.oscarandsons.com.au/index.php) overlooking the marina.

Head inland along Breakwater Drive to Wanneroo Road before turning off at Military Drive and heading north east. Turn off Military Road to the Gingin Gravity Centre (see <a href="http://www.gravitycentre.com.au/">http://www.gravitycentre.com.au/</a>) where we will have lunch at the café before going on an informative guided tour of the Gravity Centre. This will include dropping water balloons from the 45m high tower.

We will then head off a short distance to our campsite for Saturday and Sunday nights at the Willowbrook Farm Caravan Park (see http://www.willowbrookfarm.com.au/caravan park.html). This is a lovely spot next to a creek with an historic farm house built in 1874.

The evening meal will be at the Amirage Restaurant (see http://www.amiragerestaurantbb.com.au/) on the other side of Gingin Brook Road. This is a very good restaurant and we all enjoyed sharing a meal together here last year. Alternatively the caravan park has a full camp kitchen and BBQs where you could cook your evening meal if you prefer.

## Sunday 2<sup>rd</sup> June (69 Km)

After free scones with jam and cream courtesy of Willowbrook Farm we will head off down Gingin Brook Road, stopping at West Coast Honey for morning tea, free honey tasting and a live bee display (see http://www.westcoasthoney.com.au/).

Then up Brand Highway before turning west to travel along Beermulla Road West through rolling farmland and a nature reserve. There is an 8 Km section of Beermulla Road that is unsealed, which is a challenge, but quite doable.

Email: info@ctawa.asn.au Web: www.ctawa.asn.au

After turning down Cowalla Road we will arrive at Caledonia Mini Golf for a nice lunch at the café before a round of mini golf (see <a href="http://www.caladeniaminigolf.com.au/">http://www.caladeniaminigolf.com.au/</a>).

After lunch we will head back to Willowbrook Farm for an afternoon siesta.

The evening meal will again be at the Amirage Restaurant or you can cook your own at the Caravan Park.

Optional: The Gingin Observatory (see <a href="http://www.ginginobservatory.com/index.php?option=com\_content&view=article&id=4">http://www.ginginobservatory.com/index.php?option=com\_content&view=article&id=4</a>
<a href="Q&Itemid=1">Q&Itemid=1</a>) is open on Sunday evening from 6pm to 8.30pm and is only a short ride down the road. The building is split into two areas. The space observatory (with a fully retractable roof) houses 5 large telescopes, including the largest in Australia for the road.

fully retractable roof) houses 5 large telescopes, including the largest in Australia public access, and 6 pairs of high magnification binoculars. The other half of the building is a theatre room where a big screen presentation on the universe is provided. The cost is \$44.

# Monday 3<sup>th</sup> June (57 Km)

After packing up our gear we will head off on the return journey down Military Road to Wanneroo Road. After a short section of Wanneroo Road we will turn down Breakwater Drive towards Two Rocks. We will break for morning tea at a roadside stop on Breakwater Drive overlooking the Indian Ocean.

We will then ride through Two Rocks to Yanchep where we will enjoy lunch at the Yanchep Beach Lagoon Café overlooking the ocean.

Then on to Clarkson before departing on the 2.57pm train to return home.

#### Tour map

See Google map of the tour at:

https://maps.google.com/maps/ms?msid=204600390035064317141.0004becb4aea3 8f68b882&msa=0
