

CTA 2019 AGM Clothing Report – Jane Lodge

Sales are generally down further from 2017. Jerseys were offered at a discount at the September social evening's 'garage sale' and at OYB (thanks to Christine). This increased sales but not profit. Listed below is a summary of clothing sales for 2018 compared to previous years:

Year	Jerseys	Socks	Mirrors
2013	12	20	19
2014	9	22	16
2015	6	27	19
2016	8	20	12
2017	2	13	16
2018	9	6.5*	8

*Yes, I have a single sock – the other one must lie in the great lost sock basket in the sky.

Twelve 'On Yer Bike' Jerseys from 2015 and a single 5XL vest from 2014 were donated to charity as per the Association's rules.

Investigations are being made into offering a casual club long-sleeved polo shirt, a club wind vest and/or a club jersey. Club members will be polled as to their interest at the AGM. Given the lack-lustre sales record over 5 years, a review of the clothing policy is probably in order.

Christine keeps all the finances in order and does a spectacular job. I have managed to count the stock on 3 occasions during the year and sell a couple of mirrors. It's not a hugely onerous job. I suspect managing the creation of new club clothing, should it go ahead, might be a little more difficult.

As I'll be away from April to August and again in Nov/Dec I'm hoping someone will put their hand up to fill in as clothing person, or take the job on permanently. Anyone....?

Keep on pedalling...
