

## **CTA 2019 AGM Social Report – Steve Napier**

During 2018 we've enjoyed 2 entertaining slide nights and an interesting presentation from a co-owner of the TBE chain, who gave us an update to what were trends in new and emerging cycle design.

In April CTA founding member, Dale Neill (with help from wife Margaret) bought back some great images of what we were riding and wearing 30 + years back.

While the October Slide night was great value with Karen Rose showing her Kenya/Tanzania bike ride and tour slides while Bruce Robinson added entertaining commentary to the Pilbara ride he took with Stuart in June last year. That evening also included a popular swap and sell market after the presentations.

These events are typical of our Social evenings together and as I'm not standing for this role from this meeting I hope that my successor is also fortunate enough to have the club members and others who are such interesting and entertaining presenters.

Unfortunately our long term venue at the Loftus Centre has become unavailable for the coming year and we're looking for a room with similar capacity (40) near the CBD. Watch the club newsletter for updates and Thanks for your support over my 3 years. Look forward to riding with you.

All the best,  
**Steve Napier**
