

## **CTA 2021 AGM Achievement Rides Coordinator Report – John Farrelly**

Last year, 2020, we had 28 people who took part in Achievement rides, which was a big improvement on the previous years' 20 people.

There were 7 rides which increased in length as the year progressed.

Starting at a pleasant 50k ride in the Chittering valley, they finished with an epic 300k ride through Gingin, Calingiri, Toodyay and back to Midland.

I am very pleased to see that we had quite a few **hardcore** riders last year.

### **2 Super Achievers**

Bruce Robinson and Christine Liddiard

### **1 Challenge Award**

John Farrelly

### **3 Achievers Award**

Don Ward, Linda Tompkins and Greg Atter

### **4 Merit Awards**

Kleber Claux, Stuart Crombie, Richard and Liz Marshall

As long as there are people still interested in turning up for these rides, I am happy to organise them, and look forward to doing so again this year.

We are holding a good stock of coffee mugs and embroidered badges, not to be given away, they must be earned.
