

CTA 2021 AGM Social Coordinator Report 2021 - Carmine Cilli

The 2020 social calendar started on the 14th March the week before the big change for Australia. It was Stuart's pizza dinner farewell. Unfortunately, Stuart found himself stuck in USA even before he could commence his 8,000km across USA ride.

Despite the Covid restrictions we managed to have 3 well attended social nights. We had engrossing presentations from Doug, Linda, Christine, Noel, Randell, Shane and Keith.

We thank them for the efforts preparing and sharing their travel stories, lots of colourful photos helping paint the picture.

A special thanks to Robyn for supplying the delicious home made cakes to go with the tea and coffee.

Please let me know if you have ideas for the 2021 social night presentations.
