

CTA 2021 AGM Report 2021 Clothing Report – Elsbeth Marshall

Quite a lot has happened this year in my department, I am still learning to wrestle with the spreadsheets, I think I am testing Christine's patience sometimes.

Because Sprint Design has closed down a while ago, we had to find another supplier for our club jerseys. I am very happy to deal with Blackchrome in Adelaide, their jerseys are a nicer fabric and they are cheaper.

We also have a new product in our range: Nozkons, a nose protection against sunburn.

I have sold:

- 30 jerseys, 19 long sleeve and 11 short sleeve
- 34 pairs of socks, 17 size 2-8 and 17 size 7-11
- 37 mirrors
- 10 Noskons

Prices for our products are:

- Long sleeve jersey \$60
- Short sleeve jersey \$55
- Socks \$10
- Mirror \$25
- Nozkon \$12
