Leadership

Nominee	Reason for nomination	Nominator
Stuart Crombie	<p>Stuart has led our club for the last five years, and how much has the CTA changed! All for the better! Five years ago we had little participation on our Sunday rides and the Wednesday rides did not even exist. Maybe not all that can be attributed to Stuart, but he has been a leader who always has been able to iron out any small or a tiny bit bigger than small controversies. He shows respect to everybody's views, whether he shares them or not.</p> <p>I feel it is time to acknowledge Stuart's contribution to our club.</p>	Liz Marshall
