

## **CTA 2023 AGM Clothing Report – Liz Marshal**

2022 has been uneventful in respect to the CTA clothing and merchandise. We have not bought anything last year, so the stock of many items is critically low (mirrors and small and medium sizes of jerseys).

Traditionally the OYB tour is the best seller for the whole year. In 2022 I sold in September alone \$1,753 worth of merchandise and for the other 11 months combined \$829. I couldn't have managed the sales at the OYB without the help of our new saleswoman Yew Li and the already experienced cashier Jeremy.

In 2022 I have sold following items:

24 jerseys

29 mirrors

11 pairs of socks

10 pairs of sleeves

11 noskons
