

## **CTA 2023 AGM Newsletter Editor Report – Randell Holland**

The Chain Letter for 2022 consisted of four issues (No.s 280-283) for each season of the year. Each had a President's Report, details about meetings, tour reviews, general cycling articles, upcoming events, book reviews, cycling humour and much more.

I would like to thank all the people who contributed to the newsletter with reports, articles, suggestions and reviewed the newsletter before publication. A great team effort which makes the newsletter more inclusive, accurate and entertaining.
