SUNDAY MARCH 20

"50 Kilometre Achievement Day"

For many years the C.T.C. in Great Britain has run its 25's, 50's and 100's. Now the C.T.A. for the first time is offering an opportunity for its members to achieve individual goals.

In order to be officially credited with a "C.T.A. 50" members must ride 50 kms in 2½ hours or less i.e. an average of about 12 m.p.h. No rider is allowed to receive outside assistance e.g. pushes, pulls or sit-ins behind vehicles.

This event is not a race, nor is it a competition, but a measure of Personal Achievement.

Entry is free to C.T.A. Members.

Venue: Perry Lakes in Perry Drive

Time: 7.30 a.m.

Leader: Wayne Lally

Certificates will be issued to all members who complete the course within the time limit.
